MEMORANDUM FOR THE RECORD

SUBJECT: OSCART Flight Test Status - 1 April 1963

1. Aircraft #121 and #122 are grounded pending incorporation of plumbing changes in J-38 engines.
2. Aircraft #124 was scheduled for a flight on 1 April, however, this was cancelled due to adverse weather conditions.
3. Both aircraft #123 and #124 are scheduled for flights on 2 April.
4. Aircraft #125 still being readied for ANG 30 radio installation and aircraft #126 being assembled for first flight. Both several weeks away from flight.
